

Child Protection Policy

Safeguarding

Safeguarding is about having a real and active concern for people. At Forest Community Church we are committed to the safeguarding of children and vulnerable adults and we work hard to ensure their well – being.

We work in association with thirtyone: eight (formerly CCPAS). The name is based on Proverbs 31:8 – Speak up for those who cannot speak for themselves. See their website [here](#).

All our children’s workers, from creche to youth workers have enhanced DBS (Disclosure and Barring Service) checks.

Our Safeguarding Co-ordinator is Nigel Benning who can be contacted on 01594 544962 if you require any further information.
